- The Distributor shall be deemed to have received a Voucher and shall be liable to pay for it where MM transmits same but where the Distributor does not in fact receive same due to communication problems with telecommunications services providers or so-called “time-outs”.
- The Distributor shall not sell any Voucher for an amount exceeding the face value thereof. This is a material term of this Agreement and if the Distributor breaches same, MM may terminate this Agreement summarily by written notice.
- Pricing subject to change based on a 15-day notice to amend.

### **Bill Payments**

- All Pricing Includes VAT unless otherwise stated.
- No cheques will be accepted.
- Fee increases will only apply where receivers are willing to increase their fees payable to collectors.
- Refunds will be dealt with on an ad hoc basis and are not guaranteed.
- Pricing subject to change based on a 15-day notice to amend.

### **Electricity**

- No reversal of a transaction shall be permitted once a Voucher is requested by the Distributor.
- The Voucher is deemed to have been delivered to the Distributor when it or its customer has the ability to access or redeem the Prep-Paid electricity concerned.
- The Distributor shall be deemed to have received a Voucher and shall be liable to pay for it where MM transmits same but where the Distributor does not in fact receive same due to communications problems with telecommunications services providers or so called “time outs”.
- The Distributor shall be required to comply with reasonable processes and procedures and regulations from time to time prescribed either MM or the respective Municipality.
- The Distributor shall, if appointing sub distributors, inform MM and require the sub distributors to complete and sign such forms and agreements as MM may reasonably prescribe or require.
