Dear Partner,

RE: COMMERCIALS ON SELECTED VALUE-ADDED SERVICES

Flash Mobile Vending (Pty) Ltd ("**Flash**") holds the necessary agreements and relationships with various service providers to aggregate their value-added services. Should you agree to the terms hereof, Flash will manage all service provider relationships and offer one consolidated support structure and you will therefore only need to manage one integration/relationship.

Please note all commercials rates are **exclusive of VAT**.

To the extent that you have an existing Retailer Agreement for Product Distribution, Distributor Agreement, Pay Out Agreement or Flash Payment Agreement ("**Agreement**"), this document serves as a written amendment to the products, commissions, fees and payment terms applicable to the Agreement(s). If there is any conflict between the Agreement(s) and this document regarding the products, commissions, fees and/or payment terms, this document shall prevail.

In the absence of specific payment terms as set out in the table below or as advised by Flash from time to time, the following will apply:

We will require that you make daily payments for the previous day's transactions. Flash will invoice for the face value (ex VAT) once a month. The Partner invoices for commission (incl VAT) for the month. Flash to pay 7 days from invoice. All services without listed payment terms will require COD payments and/or deposits.

Any fixed amount commission/discount rates as specified below will be reviewed every 6 months and the parties will negotiate in good faith such adjustment as may be required from time to time.

Any commission/discount will be adjusted automatically in the event of a decrease in the commission rates that may be charged by Flash to the relevant Service Provider for collecting payments on its behalf. The percentage change applied to the commissions/discounts in such event will be equivalent to the percentage change applied by the Service Provider to the Flash Commission. Flash will notify the Partner in writing upon the occurrence of any such change specifying the date on which such change is to take effect.

This document is subject to a signed and approved Agreement.
